## Marketing Methods

The important thing that unlocks the sales potential of your ebook is to find a single sentence that becomes your selling handle. This sentence states what question or problem your guide answers and the benefits your book can provide. Then make sure you use that sentence in every piece of gross

sales and promotional materials, and every time anyone asks you about your ebook.

One is to present one thing away without spending a dime together with your e-book, corresponding to a helpful bonus item. Or bundle a number of ebooks under one worth, which lowers the price for each book in the event that they have been sold separately.

An efficient technique for figuring out a worth is to ship out a survey to your current customers. If these clients have already bought an ebook from you, ask for his or her opinion when it comes to price. Do this by making a gross sales page for the new ebook, but do not include a worth on that page. As an alternative, add numerous hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out prices by creating a variety of duplicate sales pages with different costs on each page. Be certain your gross sales copy is strictly the similar on every web page, and consists of your selling-handle sentence. Then work out for every page the conversion ratio between guests to your website and gross sales of your book. This may inform you what your optimum worth is.

Finally, should you've written a ebook that solves a problem or presents a brand new technique, your e-book will bring in both site visitors and profits. So make sure to write that selling-handle sentence that sums up what downside your e book solves and what the benefits of your 1092 ebook shall be to the purchasers who buy it.
