One other strategy is to test out costs by making a number of duplicate sales pages with different costs on each page. Make sure your gross sales copy is exactly the similar on every web page, and

includes your selling-handle sentence. Then determine for each web page the conversion ratio between visitors to your website and gross sales of your book. This will tell you what your optimum worth is.

Finally, in the event you've written a book that solves a downside or presents a brand new method, your e book will bring in each visitors and profits.
