Advertising Strategies

piece of gross sales and promotional material, and each time anyone asks you about your ebook.

An effective method for figuring out a value is to ship out a survey to your present customers. If these clients have already purchased an ebook from you, ask for their opinion when it comes to price. Do this by making a gross sales web page for the brand new book, but do not embrace a value on that page. Instead, add a variety of links to survey questions that ask pointed questions to assist you in assigning a price to your ebook.

Another technique is to test out costs by creating a variety of duplicate gross sales pages with totally different costs on each page. Be certain your sales copy is precisely the same on each web page, and consists of your selling-deal with sentence. Then determine for every page the conversion ratio between guests to your site and sales of your book. It will let you know what your optimum value is.

Finally, should you've written a e book that solves a problem or presents a brand new method, your e book will herald both visitors and profits.
