An effective technique for figuring out a worth is to ship out a survey to your current customers. If these customers have already purchased an book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales page for the new book, but don't include a worth on that page. every web page, and includes your selling-deal with sentence. Then work out for each web page the conversion ratio between guests to your website and gross sales of your book. This will inform you what your optimum price is.
