If you wish to see massive profits over buyer draw, intention for an audience that's looking for easy options to their issues at a low price. If your guide is aimed at fixing one particular downside reasonably than normal advice, then you may charge more. Start on the highest value the market will bear to bring in the largest profits, and plan to discount the ebook a variety of times throughout the year.

Then work out for every page the conversion ratio between visitors to your web site and sales of your book. This will tell you what your optimum value is.

In the end, should you've written a guide that solves a drawback or presents a new approach, your e-book will bring in both traffic and profits. So you'll want to write that selling-deal with sentence
