An effective approach for determining a worth is to send out a survey to your current customers. If these clients have already bought an book from you, ask for his or her opinion in terms of price. Do this by creating a gross sales web page for the brand new e-book, but don't embrace a worth on that page. As a substitute, add numerous hyperlinks to survey questions that ask pointed questions to aid you in assigning a value to your ebook.

One other strategy is to check out prices by creating a number of duplicate sales pages with totally different costs on each page. Make sure your sales copy is strictly the same on every page, and

consists of your selling-deal with sentence. Then work out for every page the conversion ratio between visitors to your site and sales of your book. This may inform you what your optimum value is.

In the end, in case you've written a ebook that solves a drawback or presents a new approach, your guide will bring in both traffic and profits. So you'll want to write that promoting-handle sentence that sums up what drawback your e book solves and what the benefits of your 2538 ebook will likely be to the customers who buy it.
