Do this by making a sales page for the brand new ebook, but do not embody a value on that page. As an alternative, add a number of links to survey questions that ask pointed questions to aid you in assigning a worth to your ebook.

One other technique is to test out prices by creating a number of duplicate sales pages with completely different costs on each page. Be sure that your gross sales copy is strictly the

identical on each page, and consists of your selling-deal with sentence. Then work out for each page the conversion ratio between visitors to your web site and gross sales of your book. This will inform you what your optimum price is.

Ultimately, in the event you've written a book that solves a problem or presents a brand new approach, your guide will bring in both site visitors and profits.
