As an alternative, add quite a lot of links to survey questions that ask pointed questions to assist you in assigning a worth to your ebook.

Another technique is to test out costs by making a variety of duplicate sales pages with completely different prices on each page. Make certain your sales copy is strictly the same on each page, and consists of your promoting-deal with sentence. Then determine for each web page the conversion ratio between visitors to your web site and sales of your book. This can let you know what your optimum price is.

In the end, should you've written a e-book that solves a downside or presents a new method, your e book will herald each traffic and profits.
