If these prospects have already bought an e-book from you, ask for their opinion when it comes to price. Do that by creating a sales page for the new ebook, but do not embody a price on that page. As a substitute, add a lot of hyperlinks to survey questions that ask pointed questions to help you in assigning a value to your ebook.

One other technique is to test out costs by creating a variety of duplicate sales pages with totally different costs on every page. Ensure that your gross sales copy is exactly the identical on every

web page, and includes your promoting-handle sentence. Then figure out for each page the conversion ratio between guests to your site and gross sales of your book. It will tell you what your optimum value is.

In the end, should you've written a e-book that solves a drawback or presents a new approach, your e book will usher in each visitors and profits.
