Another strategy is to test out prices by creating a variety of duplicate sales pages with totally different costs on every page. Make sure your gross sales copy is strictly the same on every page, and consists of your selling-handle sentence. Then determine for every page the conversion ratio between guests to your website and gross sales of your book. This may let you know what your optimum value is.

Ultimately, in case you've written a book that solves a drawback or presents a brand new technique, your guide will bring in each site visitors and profits.
