Instead, add a lot of links to survey questions that ask pointed questions to help you in assigning a worth to your ebook.

One other strategy is to check out costs by making a variety of duplicate gross sales pages with totally different prices on each page. Make certain your sales copy is strictly the same on every page, and includes your promoting-deal with sentence. Then determine for every web page the conversion ratio between guests to your site and sales of your book. This will tell you what your optimum price is.

Ultimately, if you happen to've written a e-book that solves a downside or presents a new technique, your e-book will herald each site visitors and profits.
